

**Physician Advisor, Florida Medical Center, Tenet HealthCare Corporation,
Fort. Lauderdale, Florida**

Tenet Healthcare Corporation, a national healthcare management company, is currently seeking a Physician Advisor for Florida Medical Center, a Campus of North Shore, a 459 bed acute care facility located in Fort Lauderdale, Florida. The Physician Advisor (PA) will be a key member of the hospital's Executive Team and report directly to the CEO of Florida Medical Center and the Palm Beach Group Chief Medical Officer (CMO) and indirectly to the Tenet Physician Advisor Program Director based in Dallas, Texas.

The PA for St. Mary's Medical Center is responsible for providing medical staff leadership to the hospital's Utilization Management Committee (UMC) and functions of the Case Management (CM) and Health Information Management (HIM)/Clinical Documentation Improvement Departments. The PA leads and promotes processes for patients to receive medically necessary and high quality care throughout the continuum of care. In addition, the PA promotes medical care that reflects professional best practices and community standards of care. The PA assists St. Mary's Medical Center Administration in reducing the financial risks associated with denials that are due to providing medically unnecessary or preventable services and extended length of stays.

The successful candidate will be currently licensed and board certified and have a demonstrated track record of superior performance in physician leadership roles gained in a complex, multi-hospital care environment and a record of success in clinical process improvement.

It is an exciting time for a physician leader to join an innovative, stable and growing healthcare organization like Tenet which is now the second largest publically traded healthcare company in the country operating in 43 states and internationally with 76 acute care hospitals, 460 outpatient centers, Conifer Health Solutions, 6 health plans, 2,100 employed physicians and 36,000 affiliated physicians. Tenet is committed to a mission of quality, safety, service and improvement of patient clinical outcomes across the enterprise and our physician executives are critical to the success of that mission.

I will be happy to provide you with additional information and to discuss this or any physician executive opportunity with Tenet nationwide with you and you may contact me directly at Christina1.carter@tenethealth.com or 202-329-5244.

In an effort to provide a more healthy, safe and satisfying environment to our employees, individuals to whom job offers are extended may undergo nicotine testing as a part of the pre-employment process.
