

Physician Advisor

Full-Time

Morristown Medical Center, Morristown, NJ

Atlantic Health System

Atlantic Health System is one of the largest non-profit health care systems in New Jersey. We are comprised of Morristown Medical Center, Overlook Medical Center in Summit, Newton Medical Center, Chilton Medical Center, Hackettstown Medical Center and Goryeb Children's Hospital – all of which are accredited by The Joint Commission. Atlantic Health System aims to deliver a Trusted Network of Caring, and our promise to our communities is that anyone who enters our system will receive the right care, at the right quality, at the right time, at the right place and at the right cost.

We are confident that you will find success within Atlantic Health System, which has been named for the 9th year in a row to Fortune's "Top 100 Best U.S. Companies to Work For" list. We believe you'll find that our culture of collaboration and care exemplifies the value we place on our patients, their families and our employees.

Reporting to the Chief Medical Officer of Morristown Medical Center, daily responsibilities will include reviewing inpatient and observation cases and consulting and advising medical staff and care managers on issues relating to inpatient medical necessity determinations as well as completion of CMS and Managed Care appeals. The Physician Advisor will round on the floors with the other members of the multi-disciplinary care team (nursing leadership, social workers, care managers, and Physicians) and will educate physician peers regarding effective use of resources, managed care requirements, and processes related to inpatient utilization/case management. Their goal will be to improve on the delivery of the highest quality, cost effective, efficient care, in the proper setting. Other responsibilities will include ensuing compliance with CMS requirements on documentation, length of stay reduction, and documentation improvement. When needed, Physician Advisers will be responsible for handling appeals of denials of payment for care.

Qualifications: Board Certified MD or DO with proficient understanding of hospital services and ICD-10-CM. Must have active New Jersey license and 2+ years' experience in an acute care hospital setting. Ideal candidate will have effective communication and technical skills.

At Atlantic Health System, we strive for an inclusive health care environment where patients, visitors and employees are welcomed and afforded the same high quality care and experience regardless of sexual orientation, gender, gender identity, race, ethnicity, immigration status, socioeconomic background, disability and age. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability or protected veteran status. We are an equal opportunity employer.
