

Physician Advisor, Full-Time, Days Somerset, NJ

Robert Wood Johnson University Hospital is a 965-bed hospital with campuses in New Brunswick and Somerville, offering Central New Jersey residents expanded access to the highest quality of medical services and a wider array of innovative therapies available at only a small number of elite academic medical centers nationwide.

RWJUH's New Brunswick and Somerset campuses now serve as the flagship hospital of Robert Wood Johnson Health System, New Jersey's premier health system of choice which currently has \$1.5 billion in revenue, more than 10,100 employees, 3,250 medical staff members and 1,733 beds.

We are seeking a Physician Advisor to join our Medical Administration team. Position is full-time, days with intermittent weekend coverage from home.

Requirements:

- Licensed medical doctor.
- Working knowledge of InterQual and Milliman criteria are essential.
- Excellent clinical and administrative skills and judgment.
- Strong interpersonal and communication skills.
- Ability to effectively work with other disciplines and departments and outside agencies.
- Must be computer literate.
- Must be able to communicate effectively by speaking clearly and distinctly in English.
- Utilization management experience preferred.

We offer benefits, including competitive pay, generous benefits, flexible work options, prepaid tuition and much, much more.
