

**Physician Advisor UM
MultiCare Health System
Spokane, WA
Full-Time**

MultiCare Health System is a not-for-profit health care organization committed to our mission of “partnering for healing and a healthy future.” Our 18,000 team members (employees, providers and volunteers) are united by MultiCare’s values of respect, integrity, stewardship, excellence, collaboration and kindness. Since our founding more than a century ago, we’ve grown to become Washington State’s largest community-based, locally governed health care system — including Rockwood Clinic, Deaconess Hospital, Valley Hospital, Pulse Heart Institute, and MultiCare Neuroscience Institute in the Spokane, WA area.

Position Summary:

The Physician Advisor (PA) conducts clinical reviews on cases referred by utilization management staff and/or other health care professionals. The case reviews are to help meet payment and regulatory requirements in accordance with the hospitals objectives and for assuring quality patient care and effective, efficient utilization of health care services. The PA meets with utilization management and health care team members to discuss selected cases and make recommendations for documentation and status, interacting with medical staff members and medical directors of third party payers to discuss the needs of patients and alternative levels of care. The PA acts as consultant to and resource for attending physicians regarding their decisions relative to appropriateness of hospitalization, continued stay, and use of resources. The PA further acts as a resource for the medical staff regarding federal and state utilization and quality regulations. The PA will have a dotted reporting relationship to a physician executive.

Qualifications:

- Three years of medical practice experience preferred
- Utilization management and leadership experience preferred
- Licensed physician in the state of Washington
- Board certification or board eligible required
- Master’s level training in management (e.g. MBA, MHA, MMM, etc.) preferred

Our roots date back more than a century to the founding of Tacoma's first hospital. Since then, we've grown to become Washington State's largest community-based, locally governed health care system with numerous primary care, urgent care and specialty services — including Immediate Clinic, MultiCare Indigo Urgent Care, Pulse Heart Institute and MultiCare Rockwood Clinic. Our system of care also includes eight hospitals:

- Allenmore Hospital (Tacoma)
- Auburn Medical Center (Auburn)
- Covington Medical Center (Covington)
- Deaconess Hospital (Spokane)
- Good Samaritan Hospital (Puyallup)
- Mary Bridge Children's Hospital (Tacoma)
- Tacoma General Hospital (Tacoma)
- Valley Hospital (Spokane)

MultiCare is also proud of our commitment to workforce diversity and culturally competent care. This commitment is led by our CEO and supported through employee education and community outreach.

MultiCare is an equal opportunity employer. Hiring decisions are made without regard to race, color, religion, national origin, sexual orientation, gender identity, disability or veteran status.
